2009 Business Expo Table Top Trade Show

*An Informal Social Gathering Where
Business Meets Business*

- Exhibit your company's products or services
- Network with a diverse field of professionals
- New business ideas & sources
- Comparison bids and quality
- New Customers

What to Bring:

Tables provided will be either 6 x 3 or 6 x 18 and will be draped. Many organizations bring samples of product, printed and video information materials or offer examples of their services on the spot. A raffle prize of a promotional item or services is a great way to attract traffic to your display. If you are not sure what to bring or how to present it please feel free to call the Chamber for assistance.

WHO ATTENDS?

- Corporate Executives
- Project Managers
- Service & Retail Business Owners
- Purchasing Agents & Sales Managers
- Representatives and Administrators
- Professionals interested in keeping current in their industries

Visitors to the 2009 GFLCOC Business Expo trade show and networking event will be required to present business cards or other professional documentation so that our vendors and participants are further ensured a quality audience. Business cards and other information collected will be made available to each vendor for follow up communication shortly after the event.

Relationships formed with visitors and competitors are invaluable to the future of your business.

About the Business Expo (formerly known as "Business After Hours")

The GFLCOC's Business Expo is a table-top trade show for businesses and professionals. The event affords participants the opportunity to display and market products, services and promotions to the general public and business community. Tables will be further spotlighted by an MC throughout the program.

The audience is comprised of businesspeople, professionals and the general public. There is no fee for admission. All visitors will be asked to provide a business card or other information at the door in order to ensure the quality of your audience and post-event communication.
